**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm writing to protest large telecoms' request to be able to limit access to their infrastructure ("last-mile" unbundled copper wiring). It would be a blatant setup for monopolistic control, pushing upstart and smaller competition out. I switched from a large national company to a local internet provider last year and I couldn't be happier--with the service and the prices.
